The Board of Education

The Board of Education is an important organization in the community. It is the policy forming and legislative body for the conducting of the schools of Columbiana.

The Board aims to keep the school up to the standard required by the North Central Association of Colleges and Secondary Schools. At the same time it tries

to conduct the school economically. Last year Columbiana ranked 43rd out of 79 Exempted Villages in the state, in cost of operation. Thus the cost of educating a child in Columbiana schools is below the average in the state for schools of same classification.

Rev. George Funk and Roy Bilger retired from the Board January 1, 1941 after eight years of service. Dallas Hepburn resigned last August due to business connections which made it necessary to move his family to Lisbon.

Carl Calvin was appointed by the board to fill Mr. Hepburn's unexpired term.

Rev. McDivitt and John Robinson were elected to the Board last November for a four year term.

Senior Class History

On the sixth of September, 1938, we, the class of 1942, began our high school career as freshmen. Determined to make ourselves noticed by the upperclassmen, we held our first class meeting in September selecting the following as our officers: president, Carl Hosier; vice-president, Jim Fitzpatrick; secretary - treasurer, Eugene Haney. At the same meeting we chose red and blue as our class colors. During the year we had our wiener roast, gave a skating party, competed in class basketball, attended dances and other school activities, and presented our assembly program. After mid-term exams our president, Carl Hosier, left us for his old home in the Hoosier State. With Mr. Barton as sponsor fifty-two of our students successfully completed the freshman year and became sophomores.

At the beginning of our sophomore year we chose Eugene Haney, president; Harry Oesch, vice-president; LaNorma Zimmerman, secretary-treasurer; Betty Evans and Bill Hollinger, athletic chairmen; and Ona Moore, social chairman. This year Miss Starr and Miss Martin were our capable advisers and sponsors. During the year we had our annual wiener roast, a party, and an assembly program. Several of our boys joined Hi-Y and we all enjoyed participating in school activities.

Making ourselves still more heard of than before, fifty-one students began the year as Juniors. With Mr. Walter as sponsor we elected Bill Hollinger, president; Effie Irons, vice-president; Marjorie Zimmerman, secretary-treasurer; Eugene Haney and LaNorma Zimmerman, social chairmen; and Ralph Rohrer and Betty Evans, athletic chairmen. With Marjorie's moving to Columbus, June Stauffer was elected secretary-treasurer. In September and December we had our annual wiener roast and class party. Our Junior Class play, "The Patsy," was given in November with Miss Darrow as director. We sold candy and ice cream at football and basketball games and in May successfully presented the Junior-Senior Prom which had a military theme. At the end of the Junior year our class numbered forty-two.

On September 2, 1941, we started our senior year. With Miss Esterly as sponsor we launched our year's activities by electing Jim Fitzpatrick, president; Jean Myers, vice-president; Esther Householder, secretary-treasurer; Delmar Harrold and Ellen Lesher, athletic chairmen; and LaNorma Zimmerman, social chairman. During the year we chose blue and silver for our class colors and the red and white carnation as our class flower. Our class motto is: "Today We Follow; Tomorrow We Lead." We began this year's social activities with a wiener roast and a hay ride. "Janey's One Tract Mind," a comedy in three acts, was presented, and the "Beacon," the school newspaper, and "The Torch," the annual were published by the seniors.

Although we started high school with over fifty pupils, we ended our high school career with thirty-seven. This is due partly to the war which started during our senior year. Several boys dropped out of school to join the navy. Our class dwindled also because many of our students moved to other towns and two girls got married. Through our twelve years of school we have seen many students come and go. Although our visions of these people are rather vague, we hope that in our life to follow we shall meet them again.

Prognostication

1962 and another "Peace Day" had again been celebrated. I seated myself rather wearily at my desk to finish up for the day. There was a memorandum or two for tomorrow to be jotted down and a letter from Columbiana to be answered. The "Beacon" it seemed was having a contest to determine the most outstanding class among the Alumni, and could I give them some information about any of my class. Yes, I was almost too fired but this must be done. The day had been so full of events with regular duties, the presentation of caps to young nurses at the graduation exercises, and the "Peace Day" program, inspiring but long.

Exactly twenty years ago, I thought, as I closed my eyes, thirty-seven determined and energetic Seniors graduated with honors from Columbiana High School. At that time Hitler and the "Japs" were threatening to dominate the world, but through sacrifice and steadfast courage we were able to win the war. "Bluebirds are indeed over the "White Cliffs of Dover" and "God has blessed America."

Well, let's see, what have they all accomplished? What can I tell the "Beacon?" If only a reunion were possible! As if in answer to my thoughts, I seemed to be seated at a long banquet table. Faces that at first I could not place in my mind slowly became familiar. Surely that was Mr. Riggle at the one end and Mr. Miller at the other. A voice, I was certain it was Miss Esterly, was saying, "At this time we will listen to a column entitled "SILVER AND BLUE HIGHLIGHTS," which is taken from a recent copy of the world wide known, "SENTINEL," edited by Charles Mollenkopf of New York."

Dorothy Allen is the happy and capable wife of the illustrious and handsome head of John Hopkins Hospital. Before her marriage she won great fame in the field of science for having discovered a new electric ray which destroys the appendix.

"Tiny" Uselton, sports writer and radio commentator is a second Lowell Thomas. His sponsor for this program is THE GULF GAS COMPANY.

Effie Irons, who has held the national women's tennis championship for five years, is now making a tour of United States demonstrating her technique.

We note with pride, that Harold Hall and Ralph Rohrer, who as midshipmen in 1943, received the Distinguished Service Cross for unexcelled bravery in action, have been appointed to the rank of Admirals in the Navy.

Virginia Snauffer, noted educator and lecturer, has returned from Australia where she was received with great acclaim in a series of lectures on, "Hitler Tried and Died With his Boots Off."

Bill Childers, Hollywood's most famous actor and playwright, has received an "Oscar" for his latest production, "MY UTOPIA," in which he plays the role of the leading citizen. The setting for this film is his home town Columbiana.

Also doing film work is Ona Moore, who is now in Paris studying French for her next picture, "La Nouvelle France."

Jim Fitzpatrick, scientist, who has spent many years in research work, was recently awarded the Nobel Prize. It is said that he has discovered a method of dissolving carbon.

Leila Reesh is now the very charming and efficient private secretary to the first woman president. Some pay, too!

Warren McKenzie and Richard Firestone are very excellent instructors of Delmar Harrold's Training School for Rocket ship Pilots.

Esther Householder has just set a new world's typing record. She maintained a rate of 150 words per minute steadily for two hours. As a reward, a world tour awaits her.

Gladys Peppel has devoted her musical talent to the world as organist in the new Washington Cathedral.

One of the best known professors of mathematics at Harvard College is Eugene Haney. We are very proud of his discovery of the unknown quantity for which X has always stood.

Ellen Lesher's modern Beauty Shoppe is preferred by the majority of the actresses in filmdom.

Added to the stone monuments on the granite face of Mount Rushmore in South Dakota is that of Franklin Delano Roosevelt. The credit for this massive contribution goes to Bob Ward.

Fred Drotleff is an official in the F.B.I. organization at Washington, D.C. His latest statistics show that no un-American activities exist at the present time in our country.

Betty Pittman is an accountant in the federal reserve department. She reports that the national war debt is now reduced to $500,000,000,000.

Bessie Bowman and Helen Hetric have sold their exclusive tea-room in Boston and established happy homes in Chicago. Their husbands are manufacturers of synthetic rubber.

Tom Gorcheff, our new Secretary of Agriculture, says that country estates have almost depopulated the cities because of the advancement to un-incorporated spaces.

The N. F. Pregenzer Studios, which operate in a number of large cities throughout the East, announce their "ANNIVERSARY SPECIAL," a 7 x 9 free enlargement of your favorite snapshot or photo. Paid advertisement.

Sara Todd's recent letter states that she is enjoying English life in London. It will be remembered that she is the wife of the present American Minister to England.

The Mayo Clinic in Minnesota boasts of Lelia McCarty's excellent work as a medical technician in their institution.

It is rumored that Dick Richardson, multi-billionaire oil magnate, formerly a confirmed bachelor, is now married.

Arlene Riggle, founder and head of Virginia's Select School for Girls, is the author of this year's best seller, "GONE WITH THE SUN OR THE WIND IS MY UNDOING."

Life for June Ockerman has gone up. She is now an air hostess for Atmospheric Air Lines.

Betty Mae Evans, Ohio's woman senator, has introduced a bill to Congress for University scholarships to children of all Second World War Veterans.

We see that in next week's list of important events is the exhibition of Elizabeth Harrold's sketchings and paintings in the Metropolitan Museum of Art.

Jean Myers has delved deep in America's educational system. Her modern ideas of practical mathematics are being established everywhere.

Bill Hollinger as head of athletics at Michigan University, has produced great strides in Physical Education.

LaNorma Zimmerman, the celebrated journalist and successor to the late Dorothy Thompson, has finally proved that a woman's opinion concerning the world in which we live can be as profound and constructive, as that of males, if not more so.

The scientific and illustrated, "Farm and Fowl Journal," published by Warren Laughlin has revolutionized the poultry industry of the United States.

Betty Duff, we find seated at the desk of the Oswego School for Women, teaching a course in skiing.

And then when the item was finished, a distinguished looking man in his early forties, yes, it was Mr. King, announced, "Before we proceed further with this program let us all rise and sing a verse of our national anthem." But just as I got to my feet, the little clock on my desk tingled midnight and "Oh, say can you see by the dawn's early light," was loudly pouring from my disregarded radio. Although it was only a dream, I knew those of the "Silver and Blue" could easily win first place in the "Beacon" contest and that they were doing their part in the world which is now "Safe for Democracy."

Class Will

We, the class of 1942, being in what we believe to be our sane mind, do bequeath all our worldly possessions to those we leave behind in order to reconcile them, in some measure, in their loss of such a distinguished class.

To the Junior Class we leave the hope that they will continue the tradition of having their colors on the Scholarship Cup during every six weeks' period.

To the Sophomore Class we leave anything that isn't fastened down.

To the Freshmen we leave the advice, "Always obey your upper-classmen."

Individually we bequeath our personal possessions to the following persons:

I, Dorothy Allen, bequeath my black hair and dark complexion to Mary Dell Chain.

I, Bessie Bowman, bequeath my height to Janet Vaughn.

I, William Childers, bequeath my Public Speaking ability to Ed Dowd.

I, Fred Drotleff, bequeath my knowledge of Fords to Bob Cline.

I, Betty Duff, bequeath my love of French grammar to Anna Mary Shontz.

I, Betty Mae Evans, bequeath my good grades in Latin to my brother Don.

I, Richard Firestone, bequeath my corner seat in Public Speaking to Joe Hollinger.

I, James Fitzpatrick, bequeath my position of score board operator to anyone who can add a few extra points now and then.

I, Thomas Gorcheff, bequeath my ability in track to Robert Engle.

I, Harold Hall, bequeath my well groomed black hair to Bob Longanecker.

I, Delmar Harrold, bequeath my ability to eat candy in class to anyone who can without getting caught.

I, Elizabeth Harrold, bequeath my red hair to Wilma Biddison.

I, Helen Mae Hetric, bequeath my giggle to Eileen Werner.

I, William Hollinger, bequeath my height and athletic ability to Dick Souder.

I, Eugene Haney, bequeath my job as one of the operators of the motion picture machine to Dick Newell.

I, Esther Householder, bequeath my typing ability to Dick Wenderoth.

I, Effie Irons, bequeath my ability to play basketball to Ardella Coy.

I, Warren Laughlin, bequeath my cowboy boots to Bob Reeves.

I, Ellen Lesher, bequeath my ability to get around to Arlene Peppel.

I, Lelia McCarty, bequeath my good nature and pleasing personality to Edith Hammond.

I, Warren McKenzie, bequeath my ability to argue in commercial law to Bob Bell.

I, Charles Mollenkopf, bequeath my straight blond hair to Bob Firestone.

I, Ona Moore, bequeath my sophisticated ways to Jeanne Carlson.

I, Jean Myers, bequeath my ability to argue in class to Eleanor Howell.

I, June Ockerman, bequeath my short stature to Betty Cline.

I, Gladys Peppel, bequeath my position as accompanist of the Glee Club to Mimi Culp.

I, Betty Pittman, bequeath my quiet sedate ways to Esther Gobrecht.

I, Norman Pregenzer, bequeath my photographic ability to Helen Hicks.

I, Leila Reesh, bequeath my perfect hair-do to Pearl Stallsmith.

I, Arlene Riggle, bequeath my big brown eyes and dark hair to Winifred Esterly.

I, Clyde Richardson, bequeath my alfalfa haircut and bow ties to Joe Case.

I, Ralph Rohrer, bequeath my back seat in fifth period study hall to Glen Chaddock.

I, Virginia Snauffer, bequeath my unquenchable energy to Ed Gustafson.

I, Sara Todd, bequeath my ability to pass notes to anyone who has to read their notes out loud in class.

I, Richard Uselton, bequeath my nickname of Tiny to Bob Forney.

I, Robert Ward, bequeath my position of librarian during sixth period to Frank Grimes.

I, LaNorma Zimmerman, bequeath my position as one of the cheerleaders to anyone willing to try out for it.

JUNIOR CLASS HISTORY

Three years ago a group of sixty-two boys and girls entered high school. Although at the time we entered, the upperclassmen deemed us just another batch of "greenies" but we found that high school had a place for us after all. Our class officers for the year were Bob Firestone, president; Anna Mary Shontz, vice-president; Connie Griffin, secretary-treasurer; Don Patchen and Eleanor Howell, athletic chairmen; Bertie Pinkerton, social chairman; and Vivian Wilson, Phil Horton, Joe Hollinger, and Eleanor Howell, room managers. We chose blue and silver for our colors.

After we had been properly initiated, school began in earnest. We began our social activities with a wiener roast that ended with a hay ride. Later in the year Mr. Barton helped us conduct an assembly program.

We were quite proud of several of our boys who were active in athletics, as well as the pupils who were on the scholarship team.

As the following September rolled around and we began our sophomore year, we noticed some strange faces and missed some familiar ones. We soon found the new ones to be Betty Hendershot, Paul Reeves and Malcolm Law. Our officers for the year were president, Don Patchen; vice-president, Miriam Esterly; secretary-

In the fall we had our wiener roast. Most of our girls were active in Junior Girl Reserve and several boys made the Hi-Y organization. Many of our members played in the band and orchestra, while several boys showed outstanding work in athletics.

With Miss Darrow and Mr. Walter as sponsors we started our third year by electing Don Patchen, president; Albert Gorcheff, vice-president; Mary Dell Chain, secretary-treasurer; Dick Newell and Eleanor Howell, athletic chairmen; and Connie Griffin, social chairman.

Our activities started with our annual wiener roast in the fall. During the year some of our girls with great aid from underclassmen put on a "Rag Day." We presented a three-act comedy entitled "Headed for Eden," and at the end of the year successfully entertained the seniors at the Junior-Senior Prom.

Once again our students took active part in sports, band, orchestra, glee club, Hi-Y, Girl Reserves, and scholarship team.

ORGANIZATIONS

NATIONAL HONOR SOCIETY

Since May, 1936, the Columbiana High School has been a member of the National Honor Society. The purpose of this society is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students. Chapters are formed only in high schools of excellent standing.

Membership is based on standing in the class, scholarship, service, leadership, and character. Election to this society is considered one of the greatest honors conferred upon a member of the graduating class.

The token of membership to this society is the patented emblem of the National Honor Society.

The following students were chosen from the class of 1942:

Betty Mae Evans, James Fitzpatrick, Esther Householder, Jean Myers, Gladys Peppel, Arlene Riggle

SCHOLARSHIP TEAM

Every year the teachers of Columbiana High School select pupils from their respective classes to represent the school at Kent for the scholarship tests. Columbiana has always stood high in rank and is very proud of its standing. Columbiana is in the rank of exempted village schools, schools under four hundred. But their size has not prevented them from sending out winning teams.

The students this year are: Biology, Glen Engle, Jane Warner; General Science, Shirley Messersmith, Leona Ehrhart; Chemistry, Paul Reeves, Don Patchen; First Year Algebra, Ada Kabler, Bob Orr; Plane Geometry, Eileen Werner, Ray Funk; American History, Miriam Esterly, Ida Poulton; World History, Joyce McAnaney, Myrna Harrold; Bookkeeping, Ruth Firestone, Norma Gaston; Shorthand I, Gladys Peppel; Economics, Arlene Riggle, Leila Reesh; Ninth Year English, Ruth Detwiler, Lucille Fisher; Tenth Year English, Winifred Esterly, Harlan Brubaker; Eleventh Year English, Anna Mary Shontz, Ruth Duff; Twelfth Year English, Betty Mae Evans, Betty Duff; First Year Latin, Joan Klepinger, Dorothy Oesch; Second Year Latin, Joe Burbick, Bob Reeves; First Year French, Connie Griffin, Mimi Culp; Second Year French, Elizabeth Harrold, Virginia Snauffer; Typing I, Olive Yarian; Shortland II, Esther Householder.

SENIOR CLASS PLAY

"If the idea of a girl with a one-track mind setting out to prepare herself for marriage by taking glamour lessons doesn't spell c-o-m-e-d-y—what does it spell?"

This was the idea used by Dorothy Bennett and Link Hannah for the play "Janey's One-Track Mind" presented by the Senior class. One of the funniest scenes in the play depicts a charm school. The ideas embodied in this scene are really those taken from charm courses.

The cast are as follows:

Janey Browne.....Ona Moore
Muriel Browne.....Arlene Riggle
George Browne.....Delmar Harrold
Bummy Post.....Effie Irons
Mrs. Post.....Leila Reesh
Alice Harvey.....Betty Mae Evans
Stuart Hunter.....William Childers
Roger Wilson.....Eugene Haney
Annabelle Wilson.....LaNorma Zimmerman
Tommy Myers.....Charles Mollenkopf
Camella Gibson.....Sara Todd
Luella Smith.....Elizabeth Harrold
Myra Edwards.....Ellen Lesher
Kate Donovan.....Dorothy Allen
Honey Bates.....Virginia Snauffer
Martin Richardson.....William Hollinger
Officer Harrity.....Richard Uselton

Esther Householder and Gladys Peppel were student directors; Elizabeth Harrold was prompter. The remainder of the class participated in some way in making "Janey's One Track Mind" a success.

The play was very ably directed by Miss Esterly. Her suggestions and helpful advice were invaluable.

JUNIOR CLASS PLAY

The Juniors selected as their play this year "Headed for Eden" by Sydney Duvall. The story concerns the lives of six girls who make their home in Mrs. Aral Skipworth's rooming house, in South Chicago. These girls are "on their own." Each has her own particular problem. The solution of the problems includes some happy "breaks" for the girls, with several love affairs terminating as they should.

The play was presented on Friday, November 14 at eight o'clock. The orchestra played several lilting melodies. A large crowd attended.

Cast of Characters:

SENIOR GIRL RESERVES

HISTORY

In March, 1929, three people organized the Girl Reserves in Columbiana. These three persons were Mrs. E. F. Miller, Miss Ethel Lotze, and Miss Garnet Gooley. The start of the club and its success is due largely to them.

That spring they held elections, having as officers, the Juniors. They joined the Y.W.C.A. in the fall of 1929. There was no division of the group until 1936. All the high school girls who want to join have since then been accepted. At first the club was controlled out of Youngstown, but a year after its founding, the control was taken over by New York.

GIRL RESERVE CODE

As a Girl Reserve, I will try to FACE LIFE SQUARELY, TO FIND AND GIVE THE BEST.

I will try to be
Gracious in manner
Impartial in judgment
Ready for service
Loyal to friends
Reaching toward the best
Earnest in purpose
Seeing the beautiful
Eager for knowledge
Reverent to God
Victorious over self
Ever dependable
Sincere at all times

I will do my best to honor God, my country, and my community, to help other girls and to be always loyal, a true member of the Girl Reserves.

JUNIOR GIRL RESERVES

The Junior Girl Reserves chose as their president, Winifred Esterly. Some of the highlights of their social season were as follows: a Christmas party on December 17, a Father-Daughter Banquet on January 28, and a Mother-Daughter Banquet on March 27.

On February 7 the Junior Girl Reserves joined the ranks of other groups all over the country who are aiding the Red Cross. They sponsored a Red Cross Tag Day, canvassing the town, selling little red tags to all who wished to help in the drive. All proceeds went to the Red Cross.

This is just another instance of the Columbiana Girl Reserve's patriotism. Their project for the year was "Helping the Red Cross." The supervisor was Mrs. Felger.

HI-Y CLUB

The Hi-Y movement started between 1910 and 1920. It began in larger cities, gradually spreading over the country. It is patterned after and supervised by the Y.M.C.A. Boys of high school age were found needing some organization that would direct them in their leisure time into becoming better individuals.

The movement in Columbiana High School started in 1930. At first all boys in the upper three classes were invited to belong, but this made the club too large. The next year membership qualifications were set up. The size of the club varies from year to year.

Purpose: To create, maintain, and extend throughout the school and community a high standard of Christian character.

Platform: Clean speech, clean sports, clean scholarship, clean living.

Oath: I will do my best to live up to the purpose and platform of the Columbiana Hi-Y, to serve its officers cheerfully, to be regular in attendance, prompt in paying dues, and cooperative in all its undertakings.

PAPER STAFF

The school newspaper, "The Beacon," was again edited by the seniors taking the journalism course; the sponsor was Mr. Walter. As he found it advisable for several juniors to take the course in preparedness for their senior year, Helene Hicks and Bertie Pinkerton were the two selected from the class of 1943. "The Beacon" gave all the latest sports, scandal, and affairs happening in or about the school.

ORCHESTRA

The school is very grateful for the loyal, untiring services of the orchestra. As we march in to assembly on Friday mornings, the orchestra has always been on hand. It gives us all a thrill of pleasure to march out to stirring marches. On play night the orchestra provides entertainment before curtains.

Much of the credit for the success of our orchestra goes to Clair King, its director. He has always been faithful and untiring in his efforts to make a better orchestra. The C.H.S. orchestra concerts have been greatly appreciated by both students and grown-ups alike.

GIRLS' GLEE CLUB

The Glee Club has been quite active this year in the music field. They gave a most successful concert in conjunction with the band, the highlight of which was the singing of "Hospodi Pomiloi" by the glee club. At Christmas time the glee club spread the traditional cheer by singing Christmas carols at the various homes of the town. At the Union Service in the Methodist Church, they sang a lovely group of songs which were greatly appreciated by all present.

As the climax of a successful season the Glee Club gave a formal Spring Concert.

The group is unique among neighboring schools in the size and variety of its repertoire. Songs numbering some thirty, composers of many different nationalities, are included. Most of their work is done a capella.

BAND

This year has been a successful one for the C. H. S. Band. Clair King has again ably directed it. We have him to thank for the band, as he has built it up to the large organization that it is today. The band took part in the following activities: It went to East Palestine on Armistice Day to take part in the Armistice services, and the football game between East Palestine and Columbiana; a concert was given on December 10; on May 15 a Formal Concert and Dance was given by the Band, Orchestra, and Glee Club.

SPORTS

Athletic Council

The Athletic Council is the body that is responsible for the athletic affairs of the school. This council is responsible for the schedules, budgets, and other necessary matters. All the members do all they can to see that our sports will be at their best.

The officers and members of the council are as follows: President, C. B. Riggle, Superintendent of Schools; Secretary and Treasurer, E. F. Miller, Principal of High School; Dr. F. W. Trader, President of School Board; Alfred Beach, Basketball Coach; Robert Payne, Football Coach; Waldo Ward, Junior High Coach.

COACH ROBERT PAYNE

This is Mr. Payne's first year as a member of the faculty. With many inexperienced boys in football his job was a difficult one to fulfill. He adjusted himself to the occasion by giving unsparingly of his time and patience to the team's success.

Coach Payne also guided the Junior High basketball team through a very successful season. He supervises high school boys' and junior high boys' gym classes. We appreciate his efforts and wish him success in the future.

COACH ALFRED BEACH

Mr. Beach has been a member of the faculty for four years. The past years he has led our team to three Tri-County Championships. This year he almost succeeded in pulling the boys through to a tie for Tri-County Championship, only to be doomed in the latter part of the season.

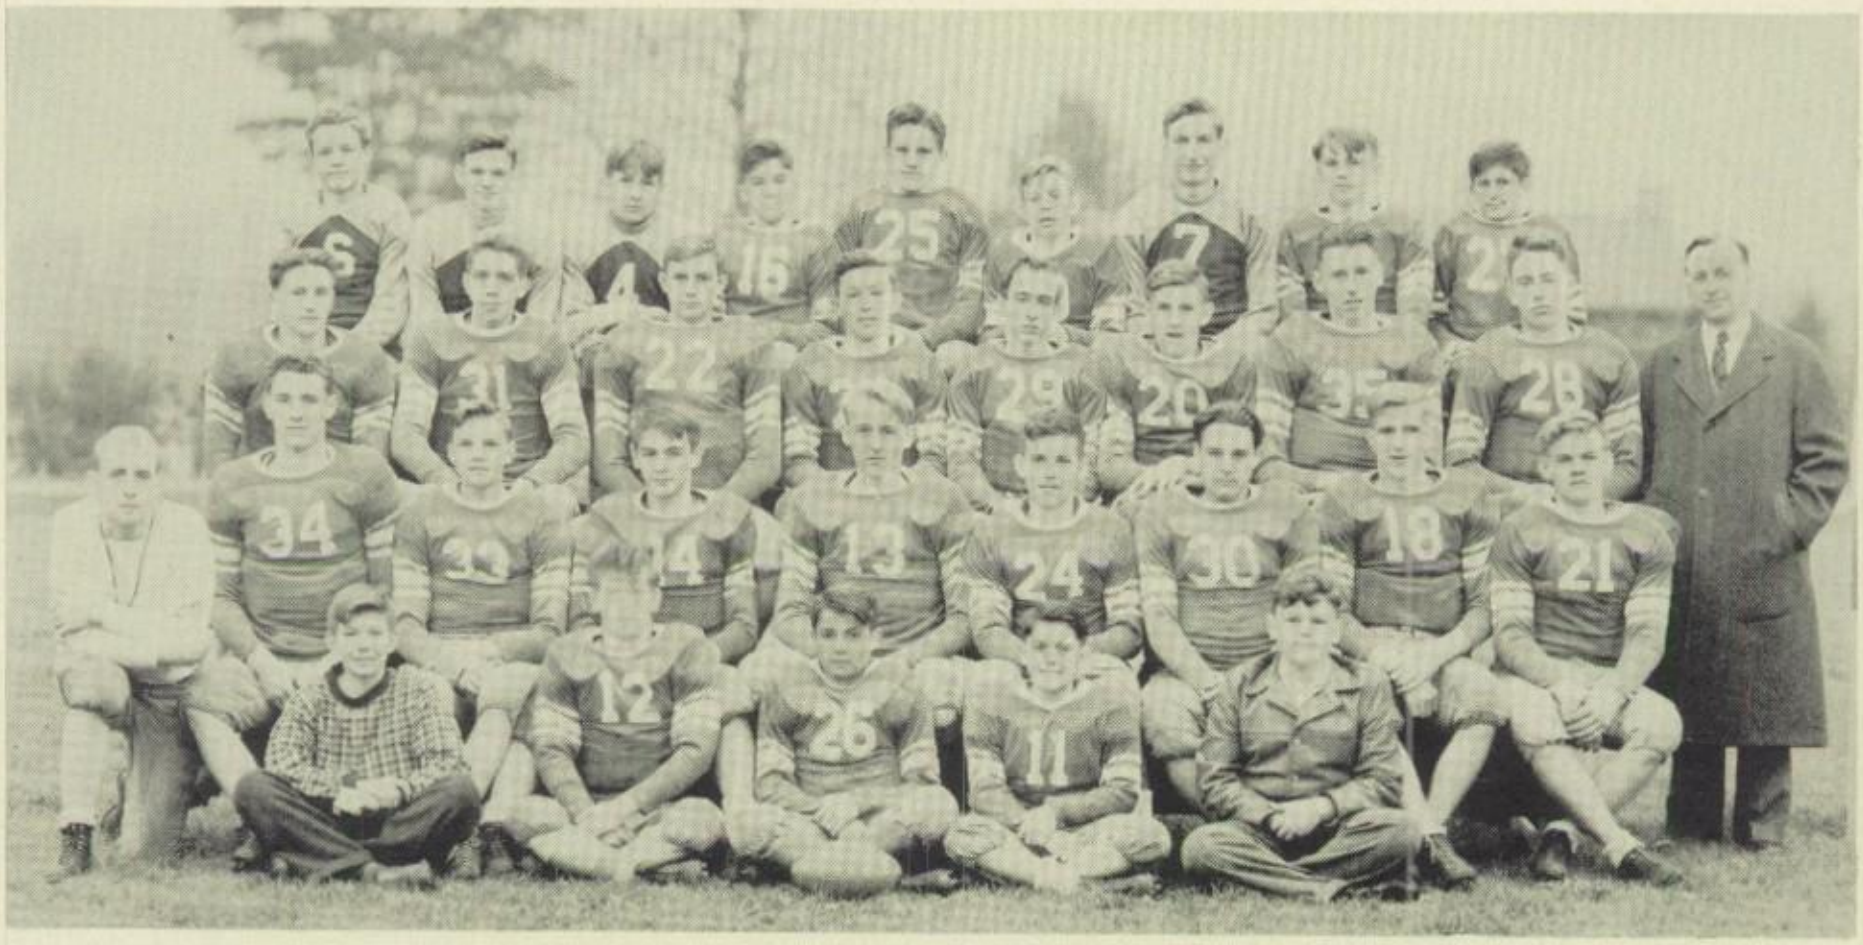
"Al," as he is better known by his friends, also supervises high school boys' gymnastics. Coach Beach has had great success in the past and we hope that it will continue.

COACH WALDO WARD

Mr. Ward has been very faithful to C. H. S. He is responsible for the background the boys in high school have in sports. He led the junior high football team through a very successful season.

He had to leave us during the year to serve in the U. S. Army. Mr. Ward is a favorite of the entire student body, and we give him our best wishes for success in the future.

Football Team



The members of this year's squad were as follows:

Bill Hollinger ..... End
Tom Gorcheff ..... End
Ralph Rohrer ..... Halfback
Don Patchen ..... Tackle
Albert Gorcheff ..... Halfback
Ray Echard ..... Tackle
George Frye ..... Fullback

From the standpoint of wins and losses, the 1941 football season was not too successful. Most of the boys who played had had little or no playing experience in the past years.

Although they had several difficulties in their path, our team and coach worked hard this season to overcome them. Most of the year our team dropped to the wrong side of the fence, but the boys always showed fine sportsmanship.

Football Personals

BILL HOLLINGER, End
Senior, Captain

"Big Bill" could not play in the first games of the season because of sickness. Although when he did start, he played good football. He did much of the punting and place-kicking for the team. Bill also developed into an outstanding pass catcher. He received honorable mention on the All Tri-County Team.

RALPH ROHRER, Halfback
Senior, Honorary Captain

"Pidge" was moved from center position to fill the gap in the backfield. He filled the job very well, developing into a good passer and a fast runner. He was chosen on the second All Tri-County Team.

TOM GORCHEFF, End
Senior

"Nick" was the fastest boy on the team and gained quite a lot of yardage by receiving passes. For his all around fine playing he was given honorable mention on the Tri-County Team.

JOE MESSERSMITH, Guard
Junior

"Biddie" was not very fast but made up for it in power. This was "Biddie's" first year on the varsity and with one year left to play he should be an outstanding guard in the C. H. S. forward wall.

DON PATCHEN, Tackle
Junior

"Eagle" was the largest boy on the team and was also very fast. He was a very hard hitting player, receiving honorable mention on the Tri-County Team.

ALBERT GORCHEFF, Halfback
Junior

"A" gave all he had to his first year on the varsity. He is a fast runner and is very good at snaring passes. With his present experience he should play some good football for C. H. S. next year.

GEORGE FRYE, Fullback
Junior

"Pogey" was one of the fastest boys on the team. This was his first year on the varsity and with one more year left to play he should turn out some real football for C. H. S. next fall.

RAY ECHARD, Tackle
Junior

"Fat" was a king pin in the line this year, as he was a very hard boy to move out of the line by the opponents. With another year to go he should develop into a good tackler.

EARL KYSER, Guard
Junior

Although this was "Earl's" first year on the varsity, he did a very good job of playing guard and should be an outstanding guard next year.

ED GUSTAFSON, Guard
Sophomore

"Gus" was small but what he lacked in size he made up in fight. He has two years left and should develop into a real ball player.

BOB WHITE, Guard
Sophomore

This was "Whiz's" first year to play on the varsity. He was a good blocker and an excellent tackler. He should play some fine football in the next two years.

BOB BELL, Halfback
Sophomore

"Flash" was kept out of most of the games because of injuries. But he did play fine football and we expect to hear more from him.

GLEN CHADDOCK, Center
Sophomore

This was "Goon's" first year on the team. He was not very fast but he made up for it in his power on defense and his good offense. He should give the C. H. S. opponents in the next two years some trouble.

HARRY HOLLINGER, Center
Freshman

"Harry" was one of the two Freshmen to earn his letter. He was one of the tallest boys on the team. With a little more weight he should develop into a good football player in the next three years.

DON EVANS, Quarterback
Freshman

"Chesty" also earned his first letter this year. His action began when he started as Quarterback in the Minerva game. He was not very big, but the opponents didn't seem to stop him. He should contribute much for the Clippers in his three years to come.

Among the best bets for next year's team will be: Harry Case, back; Keith Laughlin, back; Dick Segesman, Bob Segesman, tackles; Frank Grimes, end; Joe Case, guard; and Bob Orr, back.

High School Basketball

The basketball season of 1941-42 can be termed as a fairly successful season. This year Columbiana won 13 games and lost 8. Although there were losses, they had an average of 36 points a game for 21 games.

The team could be termed as unbeatable if they were clicking, as they were in several of the games.

This year Columbiana didn't go very far in the tournament, but they lasted one game longer than they did in the preceding year. Columbiana defeated Howland in the first tournament game, but dropped out of the contest when Mineral Ridge defeated the "Clippers."

The members of this year's team were Bill Hollinger, Bob Firestone, Don Patchen, Bill Dickinson, Albert Gorcheff, Ed Dowd, Bob Bell, Bob White, Harry Hollinger, Keith Laughlin, Harry Case, Don Evans, Bob Case, Glen Engle, Dick Segesman, Bob Segesman, and Frank Grimes.

Our student manager for the year was Warren Laughlin. Warren had a hard job to do behind the footlights, which he completed very well.

Under Mr. Beach's able coaching, the team played good all-around basketball. We congratulate Mr. Beach on his fine work.

WILLIAM DICKINSON, Guard
Sophomore

This was also Bill's first year on the varsity team, but he has two years ahead of him. He is a very good shot and is an excellent defensive player. He should prove very valuable to the team in his remaining years of high school.

WARREN LAUGHLIN, Manager

Warren worked hard this year to keep everything in good shape for the games. Although he was the only manager, he handled the position as manager exceptionally well.

The boys who should do much for C. H. S. next year are Bob Bell, Harry Hollinger, Harry Case, Bob White, Keith Laughlin, Frank Grimes, and Donald Evans.

WILLIAM HOLLINGER, Forward
Senior, Captain

Bill was the only senior player on the team. For three years he played on the Tri-County Championship Team. He was one of the leading scorers in the Tri-County with 270 points, which is an average of 13 points a game. During his sophomore and junior years he was chosen to the all Tri-County team. This year Bill was chosen on the first all Tri-County Championship team as center. He was the only one on this team to receive votes from seven coaches.

ROBERT FIRESTONE, Forward
Junior

Bob is known for his coolness in the heat of battle. Although he is small, it doesn't stop him from being an accurate shot and a quick thinker. Bob received honorable mention in the Tri-County. He has played very good basketball this year, and should be very valuable to the "Clippers" next year.

DONALD PATCHEN, Center
Junior

Don was an important player for Columbiana this year. He played very good basketball and was high point man on several occasions. Although he is farsighted, with his unbreakable glasses, he is a good shot. He, too, was given honorable mention on the all Tri-County team. Don is strong on defense as well as on offense, stopping many an opponent's play.

ALBERT GORCHEFF, Guard
Junior

This was "A's" first year to play varsity basketball. Since he was not able to score very much, he made up for it in fight. He became a very good defensive player. "A" will be back next year to give the opponents something to worry about.

EDWARD DOWD, Guard
Junior

"Ed" was very much a team player and tried hard all the time to score. He is one of the best defensive men on the team. Although this was his first year on the varsity team, he should be an outstanding player next year.

The Junior High Basketball team came through with flying colors, winning 12 games and losing 4 out of 16 games. After getting the team off to a good start, Mr. Ward turned the job over to Coach Payne. The members of this year's team were Bill Newell, Albert Drotleff, Frank Gorcheff, Bob Hum, Richard Berryman, Lee Thomas, Donald Lipe, Donald Rapp, Harry McBride, Thomas Hess, and Fred Griffin, manager.

CHEER LEADERS

Our cheer leaders are largely responsible for all the pep and enthusiasm that inspired our football and basketball boys to bring glory to C. H. S. This year the student body elected Jeanne Carlson and LaNorma Zimmerman as cheer leaders for their second consecutive year. The third cheer leader chosen was Lucille Fisher. Jeanne has now completed four years as a cheer leader, two years in junior high and two years in high school. Lucille also served as a cheer leader in junior high. Because this is LaNorma's senior year, her able cheer leading will certainly be missed next year.
